

Rental Application

While you can submit your reservation using our on-line form, to complete the registration process you must print the form and send it to us with your signature and deposit. For your convenience, you can submit your deposit using the secure, on-line PayPal payment option - a PayPal account is not required.

Most preferred is the Pay-Pal option with credit card payment.

Reservations are tentative until we have received your payment and have confirmed back to you that the dates you requested are available. In the unlikely event of a conflict you will be contacted immediately. If we can not negotiate alternative dates you will be given a full refund.

If you have any question you can e-mail rentals@norwichvermontrentals.com or call 802.485.8263.
